Cup of Coffee and a Chat with Jackie...

Dear Friends

I begin this year with the saddest news and the heaviest heart. My darling Chomksy passed away on 12 February 2015.

I rescued Chomksy on the 22 December 2006 from the SPCA and he has been my constant companion since then. He came with me to work every day and had a life filled with so much love from all the staff and customers.

My life is not the same without him and The Soap Barn will never be the same without our beautiful boy lying across the doorway making customers jump over him to buy their soap.

I was so blessed to have such a gorgeous, gentle soul share the last eight years of his life with me and I know everyone who knew him will feel exactly the same way.

This first newsletter of 2015 is dedicated to his memory. Use the recipes to keep your dogs safe and healthy.

Mr Chomksy died gently in my arms and left this world with all the love anyone could ever have.

Sadly I end this newsletter with love only from me...
Jackie
